# FHIM Child Sponsorship

Key to a community and national transformation!

To achieve this, FHIM staff aim to coordinate closely with parents, community leaders to meet the needs of children.

The Program starts with 40 selected children to assist them with after school revision and examination preparation. We also give hygiene packs & nutritional supplement to ensure a healthy growth. Most of all, we help to develop their God given potentials to become useful citizens of Malaysia. We target to sponsor 120 children in the future..

The initial project site is at Kg. Samparita and Kg Lingka Bungan Satu in the districts of Kota Marudu in Sabah, Malaysia.

This project was supported by YB Datuk Dr. Maximus Ongkili, Minister in the Prime Ministers Department on 2-12-2007.

CDP was implemented on 5-1-2008. The cost of sponsoring a child per month is RM70.00. i.e: RM2.33 daily.

**We encouraged every Malaysian/kind hearted donor to sponsor the needy children & give them a good future!**
